<b>Author</b>	<b>Party</b>	From Appropriations: To Suspense File on 05/15/2013. From Appropriations: Do pass (12-5) on 05/24/2013. From Assembly: Passed (53-25) to Senate on 05/29/2013. To Senate Committee on Transportation & Housing on 06/13/2013.
Perez, J.	D	
<b>Location</b>	This bill would: (A) Provide for 2 additional voting members of the commission to be appointed by the Legislature. The bill would also provide for the Secretary of the Transportation Agency, the Chairperson of the State Air Resources Board, and the Director of Housing and Community Development to serve as ex officio members without vote. (B) Require the Governor to make every effort to assure that expertise in the transportation community that has not traditionally been represented on the commission is reflected in future appointments to the commission, with a particular emphasis on stakeholders involved and engaged in, among other things, efforts to make California's transportation system more sustainable. (C) Provide that the commission's Committee on Planning is also responsible for monitoring outcomes from land development and transportation investments in accordance with the sustainable communities strategy required to be adopted by transportation planning agencies as part of the regional transportation plan. (D) Require the commission to biennially prescribe and receive a brief report from each transportation planning agency, beginning on or before October 15, 2014, describing progress in implementing the sustainable communities strategy and in attaining greenhouse gas emission reductions. This bill would require each transportation planning agency's report to include an assessment of the regions's progress made, along with any challenges facing the region, with respect to its ability to implement policies and projects set forth in the sustainable communities strategy. (E) Require the annual report to include a summary of the assessment of the commission and the Strategic Growth Council of progress around the state toward state objectives of greenhouse gas emission reductions, from patterns of ongoing land development and transportation investments. (F) Require the regional transportation improvement program to include a discussion of how the program relates to the region's adopted sustainable communities strategy. (G) Require the council to identify activities, programs, and local assistance funding of its member agencies that have a significant effect on the implementation of sustainable communities strategies. This bill would require each member agency to be notified of those matters, and would require each member agency to report annually to the California Transportation Commission on steps that it has taken to ensure that its policies, activities, programs, and local assistance funding help attain greenhouse gas emission reduction targets, among other things.
